

Ferche Millwork brings you 45/60/90 Minute Door Frames in the beauty of REAL WOOD!

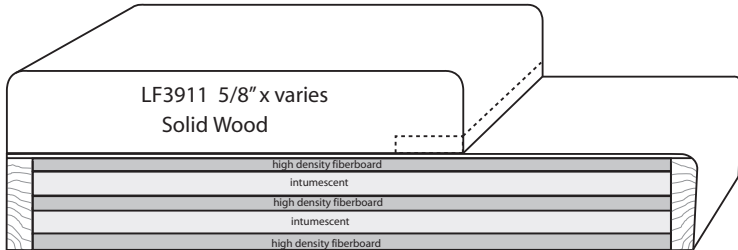

These jambs are the perfect solution to dress up a rated opening. They carry a positive pressure rating without the need for visible gaskets. Available in any species as a 3/4" flat jamb w/applied stop or as a rabbetted frame. Minimum jamb width is 4 5/8". For additional information go to www.fireratedwooddoorframes.com or call Ferche Millwork at 320-393-5700.
